

CRAGG AWARD NOMINATION FORM

In the division of Natural Science we try to reward students who have made an outstanding contribution to the natural science program either as a student or in other capacity such as contributions through the Nats-Aid program.

Criteria for award

1. These awards would be based on a student's contributions and efforts in the natural science courses above and beyond just obtaining good grades. This would include individuals like class representatives who help in organizing study session, volunteer note takers or students who show an interest and involvement in the course material above and beyond that work which is assigned in the course.
2. Students would be required to have a minimum grade of B and completed at least 1 natural science course.
3. Students would not necessarily have to be enrolled in a natural science course at the time of nomination. Students like volunteer members of NATS aid would also be eligible for their contributions to the natural science program.

If you wish to nominate a student in your class, please fill in this form and submit it to the Natural Science department.

The deadline is May 15th for FW or September 15th for SU term.

Student Name : _____

Student Number: _____ (if known)

Course(s) they took: _____

Final Grade in Course: _____ (if known)

Other Capacity in which they contributed to the Natural Science Program:

Briefly in the space below explain why you feel this student, contributed beyond our usual expectations to the Natural Science program. Please note exceptional grades alone are not sufficient grounds for a students to be considered.
